We have already entitled
it to all District HQ
Quarter bonus & the
bonus of Kuttakallakam,
Chittanani, Bowring
Dett & Kolar Gold
Fields - The Magnate
by Town Recommends
its extension to all
the Talukas in his
District - My suggestion
is that it may be extended
only to Palghat Headquarters town -
Even this may perhaps
be undesirable - If
it be granted, I will
work the Town &
name the bonus when
ready - To the learned
of Lucknow, the Nepula
- bhai is more needed -
We may finally be
asked whether the
above quarterly bonus
those ~~bonus~~ may be
limited -

Office of the Dy Comm
Mysore District,
Dated Mysore 23 Feby 1898

To

The Secretary to the Government of Mysore,
General and Revenue Departments.

Sir,

I have the honor to state that there is much cart traffic in the Mofussil parts of this District but the drivers or owners are not under any control in regard to the kind of bullocks employed by them or the way in which they treat the same.

2. It does not infrequently happen that bullocks are overdriven or overloaded, or that those employed are unfit for labor.

3. The offenders cannot easily be reached by the provisions of the Indian Penal Code.

4 I would, in these circumstances, beg to recommend that the Regulation (I of 1895) for the prevention of Cruelty

to animals may be extended to all the Taluks of the district. Donkeys and other kinds of beasts and birds are also subjected to ill. treatment.—

I have the honor to be
